

HENRY A. KISSINGER

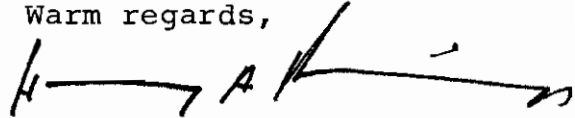

October 20, 2006

Dear Sheri:

Thank you for forwarding the photographs of my audience with the Pope and for your invaluable assistance throughout Nancy's and my stay in Rome. Your coordination of my visit to Castel Gandolfo and our flight home could not have gone more smoothly, and I wanted you to know how much we both appreciated your looking after us so thoughtfully.

I hope our paths will cross again.

Warm regards,

A handwritten signature in black ink, appearing to read 'H. A. Kissinger'. The signature is stylized with a long horizontal line extending to the right.
